PARENTS' PERSPECTIVE

Mrs. Nidhi Aggarwal

I, Nidhi Aggarwal, mother of Atiksh Aggarwal, studying in Nursery class, feels privileged to share my feedback about this renowned school i.e. Lovely Public International school. In terms of both Academics & Non-Academics, the school did an exceptional job by successfully handing classes during the pandemic. The uploaded videos

and online teaching method made the children cope very well with their studies. All the teachers are talented, well experienced and are doing their best to enhance confidence and overall personality development of all the students. On every single occasion or festival whether it is small or big, the school and teachers had always put their hard work to churn out the best from the students. Time to time, different activities are being organised to make the learning enjoyable. The school curriculum is designed in such a way that it enhances intellectual and creative thinking skills in students. I am very happy & fully satisfied after getting admission of my son here at LPIS. I am proud to be associated with this school as a parent.

I feel very fortunate to share the thoughts on the teachings of this great school that during this adverse pandemic Covid-19 situation, the teachers were on their toes to teach students online. The teachers made the students cope with the best of their abilities by putting their endless efforts and providing the guidance. The videos and the worksheets made the children understand the concepts easily. They indulged the students in various activities, events and Inter branch competitions, where students showcased their hidden talents whole heartedly. Their devotion and dedication towards studies was commendable and they took active part to make sure that the study of the students do not hamper. In the end, I would like to extend my gratitude and best wishes to the school management and staff for providing best of knowledge to the students in the pandemic situation. *Thanks and best wishes for further endeavours.*

Virtual Talent Show

Child's personality is shaped by the countless contributions made by the family and the school. Each member of the family is a teacher and a strong support for the child. As rightly preached by Respected Chairperson Maam- Dr. S.D.Malik mam- Father, Mother and Teachers are like God, this value is embedded in the children right from the start at LPIS. The Virtual Assembly highlighted the same value as the children performed on songs dedicated to the grandparents, parents, siblings and teachers. Under the guidance of Respected Director Dr. Mahima mam, all the students participated whole heartedly and put up a great show. The little bundles of joy with their colourful costumes left everyone in awe and attracted appreciation for their confidence and presentation skills.
